Dear *Sumayya*

**RE: ACQUISITION OF KENOL-KOBIL PETROLEUM FACILITIES**

Please refer to the attached copy of a letter dated May 14, 2013 addressed to me and copied to you and other Board Members including the chairman by Messrs. J. M. Gacheru, Prof. B. N. K. Njoroge and Rev. Jessie Mutura.

The three Directors have complained that they had read about this issue in the print media even before the Board's resolution on the communication to Kenol-Kobil had been effected and presentation made on the feed back to the Board for consideration.

Please take the necessary action as per the Board resolution and arrange for a special Board Meeting to discuss the feedback, if any.

Please expedite.

Yours

  
Patrick M. Nyoike, CBS
